I have a few morning meetings on Thursday and I am free for the majority of Friday. I will place it on Friday so we have time to comb through everything. With us using Teams you can share your screen so that we both can be viewing the same information as we talk through it. I am glad you have had a chance to go through it! The report went through many iterations of reviews as you know.

Thanks, Alayna

Looks like you have it set for 1230?on Wed?

I can do that but if you want to put it off to Thursday or Friday would be even better for me.

I've spent fully 50+ hrs going through all 2,903 pages of the SCDHEC report in brutal detail.

I have recompiled all of the important data and critiqued the interpretive value of every sample and sample location.

If we talk Thu or Fri I'll have a bit more time to summarize so we don't have to get too far into the briar patch.

But there are some thorny issues.

Let me know.

Dave

Hey Dr. Hargett,

I have been slammed with meetings this week so I will move our meeting to later in the afternoon tomorrow and please let me know once you get the invite if that will work for you. Thank you!

Subject: Re: Documentation Concerns

Hi Alayna,

I'm sorry, but I've got a conflict and cannot do the 1000AM slot next Wed, 27 Oct.

Could we possibly slide that to 11 or to the afternoon?

Otherwise, I am quite flexible Tue and Thu next week, 26th or 28th.

Thank you so much!

Dave
